

# Technical Datasheet

Product Code: **GB282350212**

Product Description: **Geberit Twico II Dual Flush Filling Valve**

## Specification

|                          |               |
|--------------------------|---------------|
| Product Guarantee:       | 1 Year        |
| Material:                | Plastic       |
| Style:                   | Modern        |
| Range Name:              | Geberit       |
| Shape:                   | Round         |
| Colour:                  | White         |
| Barcode:                 | 4025416482420 |
| Packaged Weight (kg):    | 0.91 kg       |
| Packaged Length (Metre): | 0.78          |
| Packaged Width (Metre):  | 0.535         |
| Packaged Height (Metre): | 0.35          |

## Key Features

- Features water saving adjustable flush volume & overflow pipe
- Manufactured from high quality plastic
- Actuator & threaded rod supplied for quick fastening
- Suitable for ceramic cistern installation
- Includes 50mm diameter rosette & fastening material

## Technical Drawing

No Technical Drawing Available

Dimensions: All measurements are in millimetres and are subject to normal manufacturing variations.

Due to a continuing development programme to improve design and performance, we reserve all rights to vary specifications without prior notice. Please note, all accessories are for photographic purposes only.
